

Daniel Del Bianco

Senior Coordinator

Daniel is a Senior Coordinator with Watson & Associates Economists Ltd. in the school board accommodation and financial planning division of the firm. Since joining the firm in 2007, Daniel has undertaken a wide breadth of assignments including the preparation of long-term capital plans, the creation of business cases, education development charge (EDC) studies and Pupil Accommodation Review (ARC) facilitator. Daniel has provided these services to school boards throughout the province.

Prior to joining Watson & Associates, Daniel was employed as a Senior Planner with the York Catholic District School Board. He is a skilled and experienced urban planner with a cross functional expertise in both land use and accommodation planning. During his eight years at the Board, Daniel has worked on numerous key planning projects such as yearly enrolment projections, the designation and purchase of school sites, and the development of long-term accommodation strategies.

Through his participation in organizations such as the Ontario Association of Business Officials (OASBO) and the SPSPlus.net and GIS User Groups, Daniel has developed a strong working relationship with a number of school boards throughout Ontario.

Daniel holds a Bachelor of Arts Degree, majoring in Geography, from York University and a Masters in Spatial Analysis from Ryerson University.
