

Greg Beal

Senior Consultant

Greg Beal is a Senior Consultant with Watson & Associates Economists Ltd. Greg's primary areas of focus are water and wastewater studies, user fee studies, development charge studies, fiscal impact assignments and asset management related studies.

Greg joined the firm in 2007 and comes with 23 years' finance experience in the municipal and hydro utility fields. Prior to joining Watson & Associates, Greg worked for the City of Brantford and the City of Guelph in the capacity of Accounting Manager and Manager of Financial Services/Deputy Treasurer, respectively. In those roles, Greg was responsible for many municipal finance functions including development charge administration, financial reporting, policy setting, financial analysis, investing and year-end procedures.

Before joining the municipal sector, Greg was an Office Manager/Secretary-Treasurer for Brantford Township Hydro Electric Commission, responsible for financial operations and reporting.

Greg is a Certified Management Accountant and holds a Bachelor of Mathematics degree from the University of Waterloo.
