

Nancy Andrew

Project Manager

Nancy is a Project Manager at Watson & Associates. She has been affiliated with the firm since 1999, and was previously employed as the Assistant Director, Finance and Deputy Treasurer with the Town of Oakville. During her time with the firm, Nancy has primarily focused on the preparation of municipal development charge studies.

In addition, Nancy's recent assignments have included issues related to long range municipal capital planning, the financial aspects of long range capital planning for education, municipal financial impact studies, and other municipal finance issues. She has also recently acted as Project Manager for an audit of municipal residential blue box recycling programs on behalf of Waste Diversion Ontario. Nancy's financial expertise is pivotal to a number of the municipal and school board assignments undertaken by the firm.

Nancy is a Certified Management Accountant and holds Bachelor of Commerce and Master of Business Administration (Finance specialization) degrees from McMaster University.
