

Lygia Dallip

Manager, Education Sector

Lygia Dallip is the Manager for the Education Sector at Watson & Associates. She has considerable expertise in the areas of school board accommodation needs, capital financing and education development charges.

Since joining the firm, Lygia has facilitated several Pupil Accommodation Review processes and has applied her expertise in the area to ensuring that the consultation process complies with school boards' policies and Ministry of Education guidelines.

Prior to joining the firm, Lygia worked for the Ministry of Education as a Manager in the Capital Programs Branch where she was responsible for developing and implementing policy and funding applications associated with the school board capital funding model – the Pupil Accommodation Grant and its associated regulations.

Lygia's experience in addressing school board capital needs including Long Term Capital Plans and Education Development Charge Studies and related business cases provides her with unique perspectives related to both the policy considerations and technical expertise needed to ensure that school boards are in the best position to address their student accommodation needs.

Lygia holds a Bachelor of Arts in Modern Languages and is a member of the Council for Educational Facilities Planners International (CEFPI).
